Dear Philip:

This is to inform you that M.E.R.R. Corp. has not mined any stone during 1987. We have, however, cleaned up the plant site by selling off for scrap a large proportion of the "resource center". We have also dismantled two buildings and sold the concrete blocks. A large amount of trash has been picked up and disposed of properly.

If you need any further information than this, please let me know.

Yours sincerely,

John Bootle
